“ Mrs. Fleming was a beautiful person with a pure & caring heart. She brought light into the lives of all who knew her & I'm saddened to learn she's no longer with us. I pray that her family remains strong & rather than being overcome with sorrow, that they let the memory of her love elevate their spirits. That is undoubtedly what she'd want, because it is what she gave to all who knew her in life. May she rest in peace & God bless.

“ Hello, I am Nancy, Christine's oldest daughter. Another thing that she was to many others was generous. Since I've been an adult, every single time I saw Mom, she had something for me. If I came to her house, or she to mine, or we met somewhere, it didn't matter. She would have something. A plant, a book, a dish or clothes could be anything! I did not buy my own sheets, blankets, or towels until I was in my mid-thirties! I am not the only one blessed by her giving nature, of course. She was generous and kind to everyone.
