

Patricia Camp Parker

May 10, 1944 - July 4, 2024

Patricia Camp Parker, age 80, died on Jul 4, 2024. She was born on May 10, 1944, in Morrow Georgia to Alline and Harry Camp. She was preceded in death by her parents and five siblings. She had a long career in social work and in her 40s returned to college. At 50 years of age, she received her Master of Divinity from Candler School of Theology at Emory University and was ordained at Oakhurst Baptist Church in Decatur Georgia. Even before her ordination, hers was a life of service and pastoral care. She was an extraordinarily gifted counselor. Many were drawn by her wisdom and kindness and sought her guidance through hardship and transformation. She lived by faith in the face of doubt, took great joy in life and nature, and suffered no fools.

She is survived by her three children, Tam K. Parker of Sewanee, Phillip A. Parker of Monteagle, Amanda L. Parker (John Meyer) of St Simons GA, and her niece Karen Camp (Kim Bridgford), and many other nieces, nephews, cousins, and lifelong friends Julie Strickland, Nancy Allgood, Mary Ann Cobb, and her goddaughter, Lindsey Cobb.

"A celebration of Patricia's life will be held on September 7th, 11:00am at the Fellowship Hall of Oakhurst Baptist Church in Decatur GA." In lieu of flowers, please consider a donation to Morton Memorial Methodist's Food Pantry and the South Cumberland Regional Land Trust. The family thanks Plum
