“ *I have many memories, but I believe my favorite is the day Penny, our Mom, and my daughters spent together at Tim Ford Dam. We thought of a good reason for her to call off work that day, and off we all went to f the Dam. We had so much fun. The girls played in the water , while Penny, Mom, and I had a great visit. Penny cooked for us all on a table top grill rightv beside the water. Of course the day was filled with laughter, because no one can tell a story and make it funny like Penny could. I'm sure her and Mom are together at this very moment, and she has the angels laughing their wings off.*

“ *Penny has been not only my sister in law but a good friend. I have loved her dearly and for over 40 yrs. I have seen her through the good yrs and the bad. Lots of laughs together. I have had alot of respect for her especially caring for her Brother, my childrens Father till he died. Best memory was when she was married to her last husband and we met together for a vacation for a wk in Florida. We did nothing special but be together. Butch and I would do what we wanted to do and they did what was special for them. But mostly just stayed at the beach. That was my first being a beach bum. Love u Pennyand God Bless yr Soul*
