“ My Aunt

*I thought I saw her face today
In the sparkle of the morning sun.
And then I heard the angel say,
"Her work on earth is done"*

*I thought I heard her voice today
Then laugh her hearty laugh.
And then I heard the angel say,
"There's peace little one at last"*

*I thought I felt her touch today
In the breeze that rustled by.
And then I heard the angel say,
"The spirit never dies"*

*I thought that she had left me
For the stars so far above.
And then I heard the angel say,
"She left you with her love"*

*I thought that I would miss her
And never find my way
And then I heard the angel say,
"She's with you every day"*
