“ I only knew Phil through bowling. He was on my team on the Thursday morning league. He was a pleasure to bowl with - always smiling and having a nice word to say about every one. He will be greatly missed. Prayers to all the family.

“ Very sorry to read in The Record about the passing of your dad. Dad was a hard-worker who put his heart and soul into the New Milford Little League and Little League baseball in general. We will miss him dearly. Rest in peace, Phil.

“ have happy memories in Massachusetts and New Jersey. Our children, Stephanie and Alan always enjoyed the visits with their cousins -sleeping on cots, ice cream, swimming, ball games romping in the sand dunes on the cape. Phil was always so very wonderful keeping us up on all the family news. Many phone calls!!

So sad....with love to the whole family.

“ There are some things in your life that shape who you become as a person. For me, one of the most significant memories of growing up was being a part of one another's families. Your dad and mom were mine, too. And to my mom and dad, Rachela was another daughter, as were Lauren, Annie, Dawn and Ioliene. How lucky we were to have so much love in our lives through our extended family!

I am sad that I haven't seen your dad in recent years. I'd like to tell him how much happiness he and your mom brought into my life. BBQs in your backyard (best london broil ever), Martha's Vineyard, the beach, sports sports and more sports...just great fun! Such happy memories of time spent with the Pavones - George, Daddy Daddy, Phil, Grandma.

My thought and love are with you know. May your memories of Dad hold him close in your hearts always.

Love, Christy
