“ *You were something else Randy. You tortured your nieces fiercely. But it wouldn't be you if you didn't. I didn't see you much towards the end, but I always. thought about you and did ask about you. I hope you're happy where you are and always there to lift your family's spirits up. You will be missed greatly. I love you.*

“ We would always go see him on church visitation and he would have him a sundrop and we would have a time talking about different things. He was a smart man and i will miss him dearly. To Lucille Audrey his kids and extended family. You wont forget but you learn to live with it over time and that helps plus you pray everyday to the Lord that you will see him again and have it settled in your heart for you know not what tomorrow holds. We love you all in as family and are here if you need us

“ My favorite memory of my brother : he was always picking on me sense me being the youngest and a girl. One day I had all I was gonna take. And I got his BB gun went into the kitchen and got some dried spaghetti and put it down the barrel of his BB gun and went after him. He stood there all bowed up and said, do it chicken. Well.....I did. I shot the spaghetti came out and stuck in his forearm. Our mother had to pull it out. He left me alone for a short while after that. Him and I laughed about not long ago ! Love you Ranch !

“ Randy and the Bumpus family were part of our close Helen street family. Always nice to me and welcomed me in their home. I have fond memories of being a little girl helping (playing more like it) putting flooring down in their home. I reconnected with Randy on FB and we shared memories. I prayed for him a lot this last few months on the several stays at the hospital. Rest in peace Randy!
