“ I am very saddened to hear of Ray's passing. I worked with him for several years at Lawson Chevrolet. He was a very intelligent man, a great mechanic and service manager. Above all I considered him a true friend.

“ I am saddened to hear that Ray has made his journey to the other side. I am comforted to know that Ray and Amy will be reunited, to complete their journey through eternal life.

In my time with Ray, I learned how important his family was to him.

Ray Norris and I worked hand and hand for 4 years, Ray taught me something new everytime we worked together. Ray bolstered extensive automotive experience and knowledge, a field in which he built a stellar career both Retail and Corporate.

Ray was well respected, will be missed and remembered by many!
