“ *Richard was one of my best friends in high school and some of my fondest memories are of the times we spent together. I have been so fortunate that we were able to stay in touch over the years. So saddened that we were not able to see each other more. My thoughts and prayers go out to his family and friends.*

“ *Richard was one my closest friends in high school. We joined the Navy and went to boot camp together in 1976. We went our separate ways after boot camp but still managed to see each other a few times during high school reunions. RIP my friend.*
