“ We are very sorry for your loss. Please know that your friends and family are there for you during this difficult time (Proverbs 17:17). For additional comfort please try and throw your anxieties on God because He does care for you (1 Peter 5:7). May your loving memories bring you a smile in the days ahead. Your family has our sincerest condolences.

“ I was beside you, when we found out it was back.. your hand in mine. We were so scared but somehow knew everything would be fine. As I drive to see you this very last time I can not hold back the sadness I feel like I did that time .. trying to be so strong for you. I've loved your face since we were just kids and I always will. Give Scotty a huge squeeze from me and tell him I love him too. Until we meet again.. I'll miss you every single day.
