“ He was my rock for so many years when I was too much of a young hurt little girl to know his worth. We have so many memories together and I literally can not believe I will never be able to hold him or call him or anything. I'm so lost right now. He was literally the best man I've ever known in my life. And I don't think I'll ever get past this. Condolences to the family but especially you Mrs Sisk . I wrote you a message on FB but never heard back so I didn't want to upset anyone by coming so I had no idea what to do . I just wish things had happened differently. I love him so much and I'm so glad he's not in pain anymore.

“ I miss my cousin. Wish we could have met more often. Never got a chance to introduce my wife and child. I am thankful however that Dad and I did visit Aunt Wanda, Rick and Jason when Rick was in his prime.

A heart of Gold stopped beating, two shining eyes at rest. God broke our hearts to prove. He only takes the best.

“ Rick was one of a kind. He was a huge part of our family and we loved him as one of our own children. The Lord needed another helper in his Kingdom so he called Rick home. He will forever be a part of our hearts and memories. Go Rest High on that Mountain Rick, your work here is done...you are healed, free and happy now . We Love You.
