“ *My love and prayers are with the family of Ricky. My family, the Panters, were neighbors to Billy Joe and Nancy and Ricky and Sherry when they lived on Helen Street back in the 60's and early 70's. Ricky and Sherry used to play with my kids, Connie, Brad and Anna. Then we moved away and lost touch. We will always have great memories and we will see them again. June 3rd. we would be married for 23 years. We loved each other in so many ways and maybe a little differently than most but none the less we knew each others heart and soul. We told each other before he was called home that we were still in love and so be it Gods will. I will miss him in my heart and with my soul forever. We will be together again some day and until then my love will always and forever be with him. I love you my husband, wait for me to show me the way. Always your wife. GOD SPEED my love.

“ *I was in school with Ricky and had not seen him in many years. I often wondered what had happened to him or where he was living. I am sorry for your loss and yet so happy to learn what he had done with his life. May God bless your family and give you peace.
