“ I meant Bobbie when my brother ask him if he could help me move into a new apartment. I wonder why a good looking man like Bobbie was still single.It didn't take him long still he was at my door wanting to come in and chat .He was the most intelligent man I had ever meant.He would bring me flowers and gifts.Open my car door for me.Their wasn't anything he wouldn't do for me that was in his power to do so.We cooked together,watched movies together,went to church together.Bobbie loved helping people.He truely had a calling. I am so sad and will always have a special place in my heart for him.I know with no doubt that Bobbie is with God now.He is out of pain cause his last year's he was so very ill.I will miss him .

“ With a heavy heart I wanted to share that my Step-Father SGT Bob Hill (Army Veteran), passed away this morning. He was always there for my Mom, Sisters, and I. No matter what it was, he provided sage advice, love, and compassion. From baseball, football, working on cars, electronics, making homemade breakfast burritos, restoring computers, televisions, plumbing, and any do it yourself projects, he taught me how to do it. Thank you Dad! I will miss this man dearly and I am proud to have known him and called him my Dad! Heavenly Father in Heaven, we ask that you watch over Daddy Bob and guide him on his next journey and let him know that he is loved. Amen! He will be missed dearly! May he rest in peace!

“ I remember my Dad today and everyday for being the man he was. He was funny, caring and overall a good person. He raised 3 kids with the love of his life, my Mama Alice Hill! He taught us to be good, loving and caring people and to always stand up when you feel Defeated. He loved to fish, watch old Westerns and anything John Wayne. He loved walks especially if they were with my mom. He enjoyed his family and time well spent with us. We will remember you dad, today, tomorrow and always. We loved you Poppy
