

Robert L. Couch Jr.

December 25, 1924 - August 18, 2014

Mr. Robert L. Couch Jr, age 89 of Tullahoma passed away Monday, August 18 at the Life Care Center of Tullahoma.

Robert L. "Bob" Couch, Jr. was born in the evening of Christmas Day, 1924, at 308 North Atlantic Street, Tullahoma, to Robert Laughlin Couch, Sr. and Anabel Searcy Couch. Thus began a long love affair with Tullahoma which he affectionately referred to as the "dimple of the universe." Bob was a great student of life and especially enjoyed viewing it through the lens of a camera. He found meaning and purpose in many organizations.

Brought up in First Christian Church (Disciples of Christ), he served as a teacher for teenagers and adults, board chairman, elder, and was named Elder Emeritus. A student of the Bible, he participated in the Bethel Bible Study. He attended young adult conferences of the Christian Church in Tennessee (Disciples of Christ) and later family camp, which he helped direct, for many years at the beloved Bethany Hills Camp. He loved attending church events locally, state and nationwide. He also served on the board of the Disciples Divinity House at Vanderbilt University.

Bob attended Tullahoma schools and graduated from Columbia Military Academy. He played the bass drum in the first Tullahoma High School Marching Band. After enlisting for the U.S. Navy at Camp Forrest, he attended Tulane University before being shipped to Great Lakes. He was a radar operator on the destroyer escort U.S.S. Willis and stationed at Guam. After the war, he attended the University of Tennessee at Knoxville and graduated from Middle Tennessee State College in 1949. He served as school photographer at MTSU and remained "True Blue" enjoying alumni activities and football games. In 1991 he received the Dr. Joe Nunley Award at MTSU which recognizes veterans for their service to others.

Bob was proud to be the third generation in the family business, W. J. Couch & Company, which was founded in 1893. Later renamed Couch's, he believed in service and often chose customer needs over his own. He studied at the Eastman Kodak School and took classes with the Bell & Howell Company. His love of photography manifested itself in his taking thousands of pictures. He covered news stories for THE TULLAHOMA NEWS as well as Nashville television stations. Prior to video cameras, Bob filmed every Wildcat football game from the roof of the press box. He enjoyed helping others with their

photographic needs and questions and he assisted many students in launching their careers. He helped found the Tullahoma Camera Club. He was a member of the Downtown Merchants Association and the Tullahoma Area Chamber of Commerce. The Chamber presented him with the Sustaining Member Award in 1998 and he received the first Clyde Phillips Men's Shop Business Award in 2009. He was one of first recipients of the City of Tullahoma's Lifetime Achievement Award.

Achieving over 63 years of perfect attendance in Rotary indicated Bob's devotion to Rotary International. He was a member of the Tullahoma Noon Rotary Club and served as its president in 1963. He later joined with other Rotarians in chartering the Tullahoma Sunrise Rotary Club. He was named a Paul Harris Fellow and helped charter the Interact Club at Tullahoma High School.

Bob was a member of Boy Scouts and earned the first Eagle Award in Tullahoma. Subsequently, he mentored many Scouts in reaching the same goal.

A strong patriot, he attended the first Boys' State and remained active in American Legion Post 43 where he served as Commander and Historian. He was active in the Legion's Big Brothers program, the Sons of the American Legion and the 40 & 8. He was a member of Veterans of Foreign Wars.

Bob was a 33rd degree Mason in the Scottish Rite and York Rite and a member of Al Menah Temple. He was a member of South Jackson Civic Association, Tullahoma Fine Arts Center, the Sons of Confederate Veterans, the Nathan Bedford Forrest Civil War Roundtable, Historic Preservation Society, Coffee County Historical Society, Bedford County Historical Society and Keep Coffee County Beautiful.

One of his favorite pastimes was sharing history of the Civil War and Camp Forrest and numerous presentations were made.

Dorothy "Dot" Morton of Manchester was the love of his life. They married June 15, 1953 and had over 61 years of devotion, fun and hard work together. She survives along with their daughters Candy, Fran and son-in-law Jon Gray; grandson Jacob Gray and wife Cindy; sisters Searcy Hopkins and Dot Watson; all of Tullahoma. Memories will be cherished by many other family members and friends.

The family will receive visitors at Daves-Culbertson Funeral Home on Friday from 4:00-8:00 p.m. The funeral will be held at 5:00 p.m. on Saturday at First Christian Church (Disciples of Christ), at the corner of Grundy and Jackson Streets, Tullahoma. Burial will follow at Rose Hill Memorial Gardens. The family suggests donations may be made to First Christian Church, South Jackson Civic Center or the charity of one's choice.

Online condolences may be made at www.davesculbertsonfuneralhome.com.

“ *Dear Couch family, your loving head of a wonderful family has passed from this life into his reward with God and Jesus. My family has vivid memories of this icon of a man as we shared time at Family Camp at Bethany Hills for so many years. He was both a cut-up and an inspiration to us all. His special words at vespers, his smile as he raised his camera, his love for his own family were all an inspiration to all who met him. Words are not enough for us to say what Bob meant to us all. Our love and sympathy go out to the family, Eleanor S. Kuss*

I was 13 when we moved to Tullahoma in 1950. It wasn't long before Bob Couch became know to my parents & they bought our 1st TV @ Couch's Store. As time passed Dorthy Ann & I became friends...she was "sweet" on my brother, Bo. I also had a job in Mary Searcy's drug store as a teen. How can one ever for get Bob in those annual fund raising minstrial shows? He was a delightful ham in his Western Union Uniform tripping through the isles @ S. Jackson auditorium trying to deliver a potted plant that kept growing during the performance & his uniform kept shrinking. Bob was so tall & thin back then & ther was no comedian in America as funny as Bob Couch! It has been many years since I have seen any of that lovely Family. God Bless Bob & Thanks for the lovely memories. So sorry I just learned of his passing. Mary Ann Powell Rhodes, Brentwood, TN

I was so sad to hear about your loss. Mr. Couch was a dear friend to my family, and was one of a handful of people that along with Mildred, Annette, and Wayne treated me so kindly in my youth. I learned of his passing just today and missed the funeral to my deepest regret. I remember one time when I had helped Mr. Couch build a wrap around screen porch on their vacation home in Gloucester. I was doing it just to spend time with a man that I respected a great deal, he insisted on paying me a crazy amount (in my mind and my Grandmother's mind) of money for helping him. To this day I can not recall if Grandma made me give all of the money back or not, what I do remember was a great day spending time learning from a wonderful man, not how to build a screened porch add on. But instead how to inspire a young man, treat someone young with love and caring as an adult.

Today as a leader and manager I use lessons from my time with Mr. Couch almost daily. It took almost 40 years but I learned you can lead with love and still be a very effective business leader.

To his family I say I share some portion of your pain. May you gain peace in time, and perhaps if it is right for you think as I do about my father whom passed away several years ago when I pray. To my "Fathers" in heaven each night.

We may not see each other much these days but know that you are all in my prayers and in my heart always.

I miss the times of youth, with you all. My God bless you and keep you, in his loving arms.

“ *Dot and family. So sorry to hear of Bobs death. In 1970 Bob came to my parents house for their 50th anniversary. (Earl and Wilma Weaver). Some how all the film got lost. After a period of months they turned up. Also in 1955 my husband and I rented, I think an apartment, in a big house by the rail road track. So we have know and loved your family for a long time. Tullahoma has lost a great leader and a great business man. Bob is at peace now.*

“ *Dear ,Dot , Candy, Fran. Jacob, I am very sadden to hear of my friends passing .Bob was my friend for 40 years, we shared many good times, he got a kick at Angie's wedding he thought it was great. He would tease me by asking me to lay hands on someone camera to get it working and some times it worked. His humor will be missed, As my walking and back will prevent me from being there, my thoughts have and will always be with your family, as I consider Bob's family as part of my family, God bless you all.*

“ Growing up in the First Christian Church, Bob Couch was my Sunday School Teacher for years. We would have our class in the old Marshall Theater. Some Sundays he would never read from the Bible but we always came away with a lesson of life that I have taken with me and built on. I have had the opportunity, only a few days ago , to thank him for being such a great mentor.. Your body may me gone but not forgotten. RIP

Mrs Couch, you are a shinning example of a wonder wife and some morning when I would be leaving the Life Care Center feeling so tired, I would see you caring for Bob after also being there all night and I would say "I want to be strong just like her. I can do it"

“ I remember going to work for Bob when I was in high school. I helped with the deliveries of appliances and helped clean the store. I got paid 1.00 n hour and thought I was rich. He was one of the first person's I went to see when I came home from Vietnam. I loved to hear him talk about the history of Tullahoma. He touched many lives and will be missed by all who knew him. One thing Bob and I used to talk about was that he was the first Eagle Scout in Troop 112, and I was the first Eagle Scout when Troop 112 was revived in 1959.
