“ *I went to school with Rodney. I knew of him because he was on the football team. It wasn't until he started at Yorozu manybyea4s ago that I got to know him as a person. He was always smiling, always polite, and cared about doing a good job. He will definitely be missed.*

“ *Rodney was one of my area leaders in the Assembly department at Yorozu and was one of the best at his job. He was a great colleague and more importantly a genuinely good person. He had the rare ability to lead people while still being liked by them. He will definitely be missed!*
