“ I remember the most fun loving laid back Rod pro who could always calm down my crazy life to enjoy my own. Ill miss you Rod. We made good times like there was no tomorrow. You were the most artistic in music and in attitude I've known. An influence for many on how to enjoy life to the fullest and celebrate the moment. You will be missed by many who u gave so many laughs and good times to. Rest in peace and know you are a good man and that your spirit will not be lost. Find the light where she sells sanctuary. I'll be looking to join you there.

“ This may sound silly but my favorite memory of Rodney was when he sang "Sweet child of mine" by Guns and Roses to me. I had not ever heard it before and he loved G&R. He was a great guy and is going to be missed.
