“ *I miss you more and more everyday. I cry all the time thinking about you. You were such a kind-hearted and gentle person. I miss our conversations, your goofy sense of humor and your dances. I miss eating all the cheese with you in the middle of the night and our long conversations. You never failed to make me laugh and feel better through all the chaos. I sure do miss that and you. I'll never forget all the life lessons you taught me and the importance of being kind to everyone you meet, having patience and respect for others. I just can't believe you're gone. I miss you more everyday. I love you.*

“ *Uncle Roger,
You were one of the greatest men I've ever known. You were such a strong, patient, peaceful and caring person. You never had anything bad to say. I'll miss our long talks about the universe and philosophy, your advice and wisdom and your goofy sense of humor. I'll miss being able to share my travel experiences with you and getting a history lesson on each new place. Most of all I'll miss just having you here, I love you so much and will see you on the other side of the stars.*

Jr.
I know you're our angel now protecting and loving us in heaven.
