“ *Rosie and my mother, Doris J Christenson were good friends. Rosie was a family friend. Rosie looked out for my mother and my family looked out for Rosie. She shared many stories with my mother and my family of growing up in Germany in the 1940s and 50s. Stories we will always remember. Rosie truly cared about everyone in her life. Rosie loved her husband dearly, although she spent the last 25yrs without him. Rosie was strong, sharp and independent. Rosie was caring and giving. Be at peace, Rosie. You are loved.*
