“ Don and I have so many special memories that it's difficult to pick just one. When I say "Wussell" and "Barbwa" it brings tears to my eyes and heart. You were a wonderful brother-in-law, Russ, always there when we needed you and always making us feel special when we visited you and Bev! You were there for all our emergencies, especially Don's heart surgery -- you and Bev would drop everything to give us love and compassion. Our pastor once said, "Love" is spelled T-I-M-E!" That was your gift! We wish we could have been there for you in these final days.

We cannot forget all the fun we had playing golf or all the happy holidays together, and how special you made them, always generous and considerate of our needs. Not forgetting the baseball games and Polka Party on Saturday night. And for me, dear Wussell, coffee on your patio in the morning... Oh, how I miss those mornings with you and Bev.

Lastly, that says nothing about how much you loved Bev and Mother. You were a good husband and son-in-law -- what wife wouldn't love a man who loved her own mother like you did. And her children and grandchildren! You were "Dad" and "Grandpa."

We do not mourn, we praise. We do not cry, we laugh. We do not judge, we forgive. It will be but a season before we all join you in our Eternal Home in Heaven with Jesus. You always said that Jesus and you had a special understanding, and now you can talk face to face.

Our lives are full for having known you, Russ...

Love,
Don and Barb
