“Daddy I will always love you. Forever and ever too many bunches. I miss you teaching your grand babies to play guitar. They miss their big papa so much. They love you. I miss the times we went to the flea market and you and Sam came over and ate hamburgers with us. I love and miss how silly you acted. Your smile was infectious. You could light up a whole room with that smile. I will never forget you. I'll always be daddy's little girl. I remember riding in ole Bessie you and me screaming I want candy by Aaron carter. I have so many great memories I could name. But I will keep them in my heart til we meet again. I could only imagine your face when you got to heaven and seen the beauty you have been dreaming of. I LOVE YOU TOO MANY BUNCHES DADDY!!!! Always and forever my 2nd Guardian Angel!!!! Give mama a hug for me and tell her I love her! Play that guitar and sing that music loud I want to hear you down here! I love you daddy I hope you know how much. Don't ever forget that! These babies said they love you big papa!!!!
