“ Savion, we did not get to know your brother and we do not have the privilege to be acquainted with your family, but we want to let you know we are with you and hope Leo helps you overcome this pain without name. Futile words today, but time will heal your suffering as the souvenir nested in you will remain. Sincere and loving thoughts, Chloe & Michael.
William Shakespeare wrote: "The mind forgets all suffering when sorrow has companions and friendship consoles it."
