“ To all Shannon’s love ones!!!! I am truly sorry for the loss of Shannon. We go back when Taylor was a baby. She called me Booboo. I loved her and considered her my friend. We talked on phone before Christmas and talked about getting together and visiting one another I hadn’t seen her in about 20 years but she was the kind of friend that it was like you had been around each other the whole time. I will miss her smile and caring heart. What we talked about the most was the love we had for our Grandchild. She loved that little feller a lot Shannon will be missed more than words can say. God Bless all that loved her. Sincerely Melissa Anderson Gesell
