“ *We were so sorry to hear of Steve's passing. I had just talked to him on Facebook a few days prior. It was a shock. We will miss his stories when he dropped by for coffee chats. Our thoughts and prayers are with his family. The Turner Family Gruetli-Laager*

“ *He was a patron of the library where I worked and he was a true friend, One day he came in and thought I was taking a nap at my desk so he just left . But in fact, I was unconscious and lost 2 days of memory .So weeks later he came in and said saw you sleeping on your job laughing his laugh .I told him what happened he apologized and we laughed about him leaving me to die .We would always meet in public and always hugged and he would give me a peck on the cheek . Gonna miss my dear friend so much .The last message he sent me was cancer had spread to his lungs,*
