“ There was me cindy mike david terrica terri for short candy tami timmy and steven the youngest of my cousins. . We always ended up at aunt barbs house playing outside OR boardgames. We always let steven go first, to be it first, to try the mud pie first, ti ride the home made scooter first, to crash first etc.etc. Shot he was first to get in trouble most of that was because he was always the first to take off his shoes and leave them right in the doorway.
