“ *Sybil had such a sweet spirit. She will be missed by so many that she had an impact on. Many people will remember her for her kindness and willingness to help when people needed it most. Prayers for all that knew her and loved her.*

“ *I'd known Sybil for maybe 65 of my 70 years. When we moved to Summertown, the first thing I discovered was her parent's store and the candy to be had there. Who'd a thought she would marry my cousin Ronnie and become part of the family! From that first moment, she was a much of a cousin as any others. Fondly remembering the gracious hospitality she would extent when I would come visit. I regret I never got to know Kent and Wyonia personally, but I've spoken many a blessing to them for all the help and support they gave her during her hard times.*

“ I got to know Sybil Fly, when she held a Memorial Service for her former husband, Ron Fly, at her own home. I was so impressed that even tho they had been divorced and separated for many years, she was still thoughtful and gracious enough to do that for him and the family.

I was very honored to get to know her, thanks to her sister-in-law, Anne Marie Fly Coffman. Anne thought the world of Sybil, and after meeting her, I could see why! Sybil was such a kind and genteel soul. Upon meeting her for the first time, she acted like she had known me her whole life. She told me precious stories about my grandmother, Mattie Fly Holt, that I had never heard before. She even showed me a gift that my grandmother had given her decades earlier!

At this Memorial Service for her Ex, I also got to meet her precious son, Robert; his sweet wife, Zebee; Sybil's sister, Wyonia; and her son, Kent. All of them were so kind, and each of them, along with Anne Marie, went above and beyond to make the day's event extra special.

Rest in Peace Sybil! I will always have such fond memories of you!!!

“ Aunt Sybil will be missed by so many! I will always remember her kind and gentle spirit and how she was always there to help others. When I needed help moving house with two babies in Memphis, she was the first one (along with my mom) to pick up and drive long distance to help us for days on end! I always loved staying at her house when I was a young child and have a lot of fond memories of those times. Sending lots of love and sincere prayers to all of the family. -Bethany

“ Sybil was a wonderful and delightful lady! We are so thankful to have been blessed to know and love her. Her laugh was contagious! Sybil had a tender heart! She was passionate about life and always accepting of others. She loved her family. She also was thankful to those who may have helped her. My husband once sat 5 hours with her in the hospital and she never forgot that. She would remind me of things I had long forgotten.

She was married to my brother Ron Fly for over 45 years and they parted she still so many years later welcomed his memorial service at her home. We loved her so much! She will be missed ! With love,
