“ We shared laughter, we shared tears, we shared our feelings, we shared our victories and defeats. We always knew in our hearts that our connection was an unbreakable bond. No matter where we were or what we were doing we KNEW that our connection was heaven sent and we would always be sisters. I lost a piece of my heart and the tears will forever be there when I think of you. I know you are not suffering anymore my friend and that is my only comfort in knowing you left everyone too soon. Love you NISH
