Dearest curtis...Toby, and I just found out about your tragic loss of Terri and want you to know that you are in our heartfelt prayers and our thoughts. I do not have the words to express just how shocked and concerned for you and the family at this difficult time. We were just talking about how you and Dorothy were the absolute best folks and took such great care of Toby and Amber when they were little. You were like a father to my babies and I will always feel much gratitude for being so blessed to have you be a part of there young lives..taking them fishing,etc., I work 7pm until 7am. so not sure how i will be able to make it to the service, but please know our hearts are with you and prayers will continue. I will come to you as soon as possible. To Valerie and Nicole,and Becky...Please know that our hearts and our prayers are with you all! We love you guys, Debbie,Toby Harris

“ *Sure do miss the good ole days with you and Becky. You will never be forgotten and you will always be loved. I pray that God takes you in his hands and never lets you feel pain again. You are now with your mother, Danny and James looking down upon us. May your family and friends take comfort in knowing that you are in God's hands. I will always miss you and baby James but will most definitely cling to the good times we had. Teresa Holt*
