“ *Theresa was my friend and co-worker for so many years out at AEDC. We spent so many lunches sitting around a big round table in the cafeteria with various others just chatting about the world. The women at the table would always end up telling some woman story just to see me blushing. Those were simple happy memories. Several years ago, after learning that my dog had died, Theresa provided me with two gifts of enormous value to me...my two dachshunds Mollie and Maggie. I know that Theresa loved her family more than anything in this world and my heart goes out to Rick, Ricky, and Ryan. I am blessed to have known Theresa.*

Like Jeff Ross, I also knew Theresa from work when I started there in 1989, & also made friends with Jeff Ross shortly thereafter. For 31-1/2 years Theresa remained a dear & treasured friend whom I stayed in contact with after we both retired. Her sense of humor matched mine & she provided me with countless laughs. I already miss her so much. My heartfelt sympathy goes out to her husband, Rick, sons Ricky & Ryan, granddaughters, Gabrielle & Isabelle, & even though he's too young to remember her, her great grandson, Carson. I also want to express my condolences to her life long friends, especially Leona Vassar. Rest In Peace dear Theresa. Know that you were dearly loved.
