“ *To the family. Sorry to hear of the loss of Mr. J.C. I have a few memories of him cutting my hair as a child. He kept us sitting still in the chair with the threat of a Razor STRAP. Never got hit with it, but it's still something I laugh about with others who got their hair cut by him. He was a good man, especially putting up with us knucklehead kids. I know he will be greatly missed. We will be keeping your family in our prayers.*
