“ Eric being the father of our son Caleb.. We were very close & he was one of my best friends. He'll be missed & we're heartbroken my his passing. He once drove from TN to Oklahoma to give Caleb a green 50cc dirt bike on Christmas Day. I wouldn't let our son drive it until he learned to ride a bike for balance. At the time we lived in the country & nothing but terrains to ride a bicycle. He was determined to ride the motorcycle & learned in 2 weeks despite all the hills and crashing. He kept going. Eric took our son around by the hand talking about all sorts of things as he stayed with us. Those were the best times & great holiday. Caleb was 6 almost 7. Eric loved nature, motorcycles, of course dogs, talking to people. He volunteered and served at the homeless shelter. He gave so much of his food away he got from the food bank away to help the less fortunate. He literally gave the coat off of his back to help people. He waited all day in the freezing cold one day to meet a homeless lady to give her some blankets. She didn't show up.. but there he went and waited to see her the next day to give them to her. He had a big heart, funny and always had stories about his adventures. I'm so sorry to the family and friends to Eric and all who knew him. The world lost an amazing soul. I know he's watching over us and not sick anymore. Not in pain. He's our Angel now. Sending much love in healing in every way.
