“ So very sorry for your loss. Some of my fondest memories of your mom is some of the great church services we have attended. I will always remember too the wedding set she wore when she & your dad were married. It impressed me so much that I wanted one like it when I got married.

I will be thinking of your family & praying for peace to all of you during this trying time. Just keep in mind that you will meet again someday in a wonderful place called heaven.

With much love, Dianne.
