“ My son Josh developed an acquaintance with Ms. Virginia while homeschooling. He was at the library daily and spent time with her regularly. We went to visit her on a nice, late summer day only to find her on a rather large tractor bush hogging! She let nothing hold her back from the things she enjoyed. She is missed. I don't have any words that may comfort, but I know what it is to lose a precious mother. Most Sincerely, Tina L. and, son, Joshua Stevens.
