“ *I remember Vivian in high school and later on in the late '80's - '90's. I played in a few local Bands during those years and Vivian was one that was always part of the In Crowd. Always Fun to be around and Very Pleasant person. My Heartfelt Condolences to her Family and Friends.*

“ I'm sad to see one of my school mates and friends has left us so early. We lost contact several years ago when I had to transfer to Shelbyville the end of our Sophomore year of high school. I just saw her several months ago at O'Charleys in Manchester and we reminisced about old times. We laughed a lot that day as if we had never lost contact of each other. She will definitely be missed! R.I.P. until we meet again my friend. Keep smiling!!

I have known Vivian since elementary school, and like her other classmates, I will always remember her with a smile on her face. I am happy that I was able to visit with her a few times over the past years, during her time at o'Charleys in Manchester. We reminisced and she shared her heartbreak in the loss of her husband. Vivian was a sweetheart and had a way of connecting with everyone. May her family find comfort in many memories and the privilege of having her in their lives. I feel priviledged to have known her 🤗🤗
