My best friend for 58 yrs. He was more than just my fishing and hunting buddy, he was a good counselor too. He loved his children so much and had a heart of gold. I know his testimony and talks at the AA Serenity House and Bradford Center touched and encouraged many hearts. You will be missed by many my dear friend. Heaven will be richer with your presence. My deepest and sincere sympathies to his family that I love like my own.

I saw Wayne a couple of weeks back at the MapCo that my daughter works at. It was so wonderful to see him again. He has counseled me many times and gave me shelter in his home when I had no other place to go. He was a great husband and father figure. I am so very sorry to hear of his passing. To the family my heart truly aches for your loss. I didn't find out that Wayne passed until I came home from Erlanger on the 26th. I had seizures and a stroke that nearly killed me. I was in the hospital when he passed. May God and the angels give you comfort at this time.
