“ Reminiscing early the 'teen' year, summer vacations together and visit of her parent and sisters. She and her sisters embraced and welcomed my mother, sister and I as an extend family of their beloved grandpa.---that's something I have not forget of their kindness.

“ Bruce and Wendy. My favorite times were when Bobby, and I spent nights at a dancehall that played 50&60's music and the four of us danced the nights away laughing constantly. Great times! Love y'all
