“ It’s hard to believe that the BEST MAN at our wedding has passed away at the young age of 69. Bill was the gentle giant that everyone loved. We have fond memories of our time together at GMA and Southern. He was our Uber driver when we needed a ride home after working late at Hialeah Hospital. When Bill was not around, Dr McCorkle would fill in. We will keep the memories of our time together until we meet again in the Heaven made new. By the way, I first kissed my hubby in the back seat of Bill’s station wagon. Our condolences to Sue, Gina and the rest of the family. ❤️❤️🙏🙏🌸

“ There are no words that will make it better. But I pray that God will give you comfort and peace that passes all understanding. Hold on to all the beautiful memories that you have of Bill and your life together. My mother and I were at your wedding. I know that you miss him so very very much. I am so sad that he is gone...but he will never be forgotten. I always enjoyed visiting with him.

You're a ghost driving a meat-coated skeleton made from stardust, riding a rock, hurtling through space.

Fear nothing.
