“ *Bill taught me that the Lord's Love and power can heal us of our deepest wounds and that father God will direct us in our healing through the wisdom and power of Holy Spirit. He does this for each of us in such a way that reveals God's all encompassing knowledge and concern for each of us individually. Our Lord is a loving father who desires a fulfilling, intimate relationship with each of us that we may impart His abundant life to those in need around us. I know Bill is in the presence of our Lord and Savior Jesus Christ now and I look forward to being with him again in heaven.*
