“ *Joe I sure am gonna miss you. You were a one in a million unique soul just like me. I remember when you would stay up at night and make me stuff and write me a poetry you were the only guy that ever done little things like that for me. You always were there for me when I needed you most and u always comforted me when I had a bad day. You were a great guy inside and out. I'm going to miss you and no matter what I will always love you . R.I.P Joe.*
